Avectra, a leading web-based Social CRM provider to the association and non-profit markets, has signed a lease for 12,000 square feet of office space at Maitland Green I, located at 601 S. Lake Destiny Rd. in Maitland, FL.

The 110,959-square-foot office building was constructed in 1983 on 6.8 acres in the Maitland Center submarket of Orlando. It is part of the two-building, 194,700-square-foot Maitland Green Center, which New Boston purchased in July 2010. Since then, the company has completed nine deals totaling more than 65,919 square feet, bringing Maitland Green I and II to 62% and 85% leased, respectively.

Alex Rosario with CNL Commercial Real Estate represented New Boston, while Nan B. McCormick with CBRE represented the tenant.
