CORPORATE CAPITAL TRUST ANNOUNCES OFFERING PRICE INCREASE

(ORLANDO, Fla.) Jan. 5, 2012 – The Board of Directors of Corporate Capital Trust, Inc. (“the Board”) has announced that, due to an increase in Corporate Capital Trust’s net asset value per share, it has increased the public offering price per share of Corporate Capital Trust from \$10.25 to \$10.40. This pricing increase will become effective for shares purchased as of the Jan. 11, 2012 closing and will ensure that Corporate Capital Trust’s net asset value per share will not exceed its net offering price per share.

The Board has also increased the declared weekly distributions from \$0.013798 per share to \$0.014 per share through March 27, 2012, which represents an annualized distribution yield of 7 percent based on Corporate Capital Trust’s current offering price.

About Corporate Capital Trust

Corporate Capital Trust is an innovative non-traded business development company that offers individuals an exceptional opportunity to invest in privately owned American companies. The company is externally managed by CNL and KKR and its investment objective is to provide shareholders with current income and, to a lesser extent, long-term capital appreciation. The company intends to meet its investment objective by investing primarily in the debt of privately owned companies, with a focus on originated transactions sourced through the networks of its advisors.
